He advised he was not getting any applications for the new positions he was going to establish with the new budget so he advised Commissioner's he would be using the funds that were going to be used for new positions, doing away with those new positions, and raising the current wages for the established positions. There will be no change in budget amounts in payroll required. This is raising the Lieutenant's yearly wages from \$54,000 to \$58,000, the Driver Operator from \$50,000 to \$55,000 and the new hires from \$46,000 to \$52,000. This brings them in line with most surrounding agencies. Dispatch will be raised from \$13 to \$14 an hour and part time will be raised from \$17 to \$18 an hour.
5. Commissioner Domec made a motion to adjourn. Commissioner Nash seconded the motion. Meeting adjourned at 7:04 PM.
